It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently.

Richard McClintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure.

The standard chunk of Lorem Ipsum used since the 1500s is reproduced below for those interested. Sections 1.10.32 and 1.10.33.

There are many variations of passages of Lorem Ipsum available, but the majority have suffered alteration in some form, by injected humour, or randomised words which don't look even slightly believable. If you are going to use a passage of Lorem Ipsum, you need to be sure there isn't anything embarrassing hidden in the middle of text.
